Live and study in Melbourne

Melbourne has a long-held reputation for welcoming international students and providing them with memorable study experiences. Its cultural diversity is celebrated so you’ll immediately feel at home.

Consistently voted the world’s most liveable city, Melbourne offers a high standard of living, and first-class education, healthcare, public transport, employment rates, safety and security. The people are cosmopolitan, fun-loving and friendly.

Melbourne hosts a diverse economy known for its strengths in finance, information communications technology, biotechnology, research, manufacturing, automotive, aviation/aerospace and creative industries. Whatever your passion, you can explore it in Melbourne.

In your spare time the city has something for everyone, from calm parks and gardens to the popular arts and music scene. Melbourne is also Australia’s restaurant capital, with more than 3000 restaurants offering cuisines from around the world to excite your taste buds.

Melbourne is home to many international sporting events and hosts a range of cultural festivals.

Monash University is in the top 100 of universities in the world.*

Established in 1958, Monash University has earned an international reputation for research and teaching excellence. In the past 10 years we have built on our ambitions to become the largest university in Australia and have extended our reach across the globe. We have an international network of more than 275,000 alumni across the world and have built campuses and centres in Malaysia, India and South Africa. We are the only Australian university active on four continents.

**Monash graduates are highly sought after**

According to a recent study published in *The New York Times*, the world’s top CEOs are more likely to hire Monash graduates – proof that a Monash education prepares graduates ready to lead and perform at an international level.

**Member of Australia’s prestigious Group of Eight**

Monash University is a member of the Group of Eight, an alliance of leading Australian universities recognised for their excellence in teaching and research.

*Times Higher Education World University Rankings 2014.

*Based on Global Employability University Ranking, 2011–2013
Monash College
the path to a top 100 university

Fatema Hasan Absulla Abbas Husain, Bahrain
Diploma of Engineering, Bachelor of Chemical Engineering

The global outlook of Monash College and the outstanding teaching and support staff set me up for success in the Bachelor of Engineering at Monash University. My teachers and learning consultants were professional, approachable and willing to help me reach my study goals. Because of the small class sizes I formed strong friendships with my peers, which has given me a great support network for my tertiary studies. Monash College provided me with an excellent foundation of academic skills – I recently participated in the Vice-Chancellor’s Ancora Imparo leadership program – an incredible experience!

Watch Fatema’s story at: bit.ly/fatemas-journey
Welcome to Monash College

Thank you for considering Monash College. Monash College is the preferred pathway among international students into a Monash University undergraduate degree.

By choosing to start your Monash experience at Monash College, you will be joining a community of high-achieving, like-minded students who share the same goal – to graduate with a globally recognised degree from one of the world’s top 100 universities.

Our academic and English language programs prepare you for success at university, building on the skills you have learnt throughout your education, further developing the academic skills and study skills required for Australian tertiary study.

While you become familiar with the Australian style of learning and teaching, which will prepare you for success at Monash University, you will also be immersed in the English language and Australian life in Melbourne, the world’s most liveable city.

Together with our dedicated staff at Monash College, I urge you to join us in building your future towards your dream career. I look forward to welcoming you to the Monash family.

Warm regards,

Jo Mithen
Chief Executive Officer, Monash College
BCom/LLB Monash
MBA MBS
Student-centred learning

Nicole Ling, Malaysia
Monash University Foundation Year
Bachelor of Pharmacy/Bachelor of Commerce

I was better prepared for success at Monash University because of the support I received at Monash College. The teachers were friendly and approachable and helped me understand what would be expected of me at university.
At Monash College there is an outstanding group of dedicated teachers that are committed to helping students to learn. Class sizes are small. This allows students to receive individual support from their teachers. Our goal is to make sure that every student is prepared for success at Monash University.

Roy Burrows
Science and Information and Communication Technology Coordinator
Monash College in Australia is owned by Monash University, and offers a number of different ways to prepare you for entry into a Monash University course. Which program you choose depends on your academic and English qualifications, and your career ambitions.

If you achieve excellent grades in Diploma Part 1, you may qualify for early entry into the first year of certain Monash University degree courses without needing to complete Diploma Part 2.
### Why Monash College is your best choice

- We understand international students; we draw on 20 years of experience and success.
- We build on the skills you already have and develop the ones you need.
- We provide a safe, secure and supportive environment so that you can focus on achieving your best.
- We employ only the best, highly qualified and experienced teachers and support staff.
- We encourage you to be active in your own learning.
- We work closely with Monash University to identify the skills and attributes that you need for success.

### Decide which program is right for you

Devi Rajaram, Singapore
Diploma of Arts, Bachelor of Journalism (Honours), Journalist at ABC

I always dreamt of being a journalist. I enrolled in the Diploma of Arts at Monash College and it has been the best experience of my life and a learning experience beyond my expectations. My teachers truly cared about the work I produced and were always there to encourage me to reach my potential. Thanks to my experience at Monash College, I am now pursuing a successful career as a journalist at the Australian Broadcasting Corporation (ABC). Watch Devi’s story at: bit.ly/chong-devi
A future in...
Art & Design

Studying Art Design & Architecture allows you to put your creative ideas into practice. Whether you’re interested in a career in designing commercial products or new digital applications, to developing skyscrapers or creating contemporary art, gain the skills and knowledge to turn your vision into reality.

Why study Art Design & Architecture at Monash University?
Monash’s Faculty of Art Design & Architecture is a place of creative excellence and innovation. It fosters interdisciplinary collaboration and is widely respected as a leader in education, creative practice and research. Be guided by highly regarded industry professionals and theorists, and focus on studio-based learning, which allows you to actively participate in problem solving and the practice of creating and making.

Choose your future career:
- Arts Education
- Museum Curatorship and Administration
- Art and Design Consultancy
- Architecture
- Product Design
- Digital Design
- Animation
- Advertising
- Graphic Design
- Interior Architecture

Yawen Hu, China
Diploma of Art & Design, Bachelor of Architecture, Master of Architecture

My journey to Monash University started with a Diploma of Art & Design at Monash College. From there, I followed a pathway to a Bachelor of Architectural Design at Monash in Melbourne, and now I’m completing a Master of Architecture. Moving to Melbourne was the obvious choice for me. It has magnificent architecture – plus, I’m studying in the world’s most liveable city! Living here has helped improve my English and my confidence. Once I’ve completed my studies my dream is to work in Australia as an architect.
Choose your pathway to a successful career

- Pharmacy
A future in...

**Medicine**

No matter what role you wish to play in the healthcare industry – doctor, surgeon, biomedical scientist, nurse, psychologist, nutritionist or physiotherapist – a degree in medicine, nursing and health sciences can take you there.

**Why study Medicine at Monash University?**

The Faculty of Medicine, Nursing and Health Sciences offers courses unmatched by other universities. Monash is the only Australian university represented in the prestigious M8 Alliance of academic health centres and medical universities. As a Monash student you can take advantage of Monash’s relationships with industry leaders and work alongside them in professional and clinical settings.

**Choose your future career:**

- Medicine
- Nursing
- Psychology
- Occupational Therapy
- Biomedical Science
- Psychology
- Emergency Health (Paramedic)
- Medicine/Surgery
- Nursing
- Nutrition and Dietetics
- Health Science
- Occupational Therapy
- Physiotherapy

**Monash is ranked 38th in the world for clinical, pre-clinical and health programs.**

Times Higher Education World University Rankings 2014

---

**Bonus points can boost your final score!**

Entry into the faculty is highly competitive; to ensure you achieve the best result, we recommend adding bonus units to your Standard program.

---

*Entry requirements apply into Monash College and Monash University programs.*
Serena Menezes
Monash University Foundation Year
Bachelor of Medicine/Bachelor of Surgery

Studying Foundation Year at Monash College offered the perfect pathway for me to enter medicine at Monash. The teachers provided me with lots of support through subject counselling, interview training and arranging meetings with faculty representatives. Their guidance and feedback made me very well prepared and equipped with outstanding academic skills that I need to complete university assessments. I would definitely recommend Monash College as the pathway to Monash University!
Monash University Foundation Year (commonly known as MUFY) is a pre-university program that prepares international students for entry to any Monash University degree.

Course structure
Foundation Year is offered in three formats – Standard, Intensive and Extended. This flexibility enables students to complete the program in the most appropriate time and to be grouped with other students of similar academic and English language abilities.

To successfully complete the program all students must pass a minimum of eight units. The unit combination must consist of:
- Unit 1 and 2 of English
- Unit 1 and 2 of at least two other subjects
- AND two additional units

How to choose the best format
Everyone learns at a different level and speed. Monash College assesses each application and issues an offer to the intake that best suits the individual to give students the greatest chance to succeed.

Monash University Foundation Year

5. Live and study in Melbourne, the world's most liveable city

* Entry requirements apply into Monash College and Monash University programs.
Subject choices

<table>
<thead>
<tr>
<th>Subjects</th>
<th>About</th>
</tr>
</thead>
<tbody>
<tr>
<td>Accounting</td>
<td>Accounting is the process of recording and reporting financial data that is analysed and communicated to internal and external stakeholders. This subject focuses on sole proprietor trading businesses to help you develop a foundation for the first year of your undergraduate studies before following your pathway to a career in business and finance.</td>
</tr>
<tr>
<td>Advanced Mathematics</td>
<td>If you are considering a university course with a high mathematical component, Advanced Mathematics will help you prepare. Extend your knowledge through the study of complex numbers, matrices and linear algebra, vectors, circular and inverse circular functions, differential calculus, differential equations, kinematics, and vector calculus.</td>
</tr>
<tr>
<td>Biology</td>
<td>In Biology, explore the structure and function of cells, and the way in which humans regulate their body temperatures and glucose levels. Discover more about genetically inherited traits, the evolution of life forms and how we protect ourselves and recover from diseases.</td>
</tr>
<tr>
<td>Chemistry</td>
<td>Chemistry examines the structure, composition and properties of the Universe. Be introduced to physical, analytical, organic and inorganic chemistry via topics such as atomic structure, chemical analysis, and industrial processes and energy. Establish a solid foundation of knowledge while developing your experimental investigation skills.</td>
</tr>
<tr>
<td>Economics</td>
<td>Economics is the study of choices that individuals, organisations and governments make in order to allocate resources in an economy. Many undergraduate degrees require completion of economics units – this subject will provide you with a solid understanding of micro and macroeconomics before commencing your tertiary studies.</td>
</tr>
<tr>
<td>English</td>
<td>English develops your language skills, research skills, organisational and study skills in preparation for tertiary education in Australia. Learn how to be a confident speaker, and a competent listener, develop your critical and creative analysis skills and become a proficient reader and writer of the English language.</td>
</tr>
<tr>
<td>Fundamental Mathematics</td>
<td>Fundamental Mathematics helps you develop strong numeracy skills specifically with a business focus. Learn about: numbers and operations; ratio and proportion; algebra; sequences and series; business mathematics; non-linear functions and applications; statistics and networks.</td>
</tr>
<tr>
<td>Geography</td>
<td>In Geography, you will study natural and human environments, global and regional issues, and interactions that shape and change our world. Develop your critical thinking, research, presentation and group work skills – skills directly transferable to your university studies in Australia that focus on collaborative learning.</td>
</tr>
<tr>
<td>Globalisation</td>
<td>Globalisation helps you understand the economic, political and cultural links that connect the people and nations of the world. Learn about how your country connects with the countries of your peers and develop skills in critical thinking, research and writing, analysis, and group work to prepare you for university. A useful subject if you are following a pathway to business, arts, law, journalism, politics or education.</td>
</tr>
<tr>
<td>Information and Communication Technology</td>
<td>Become familiar with the components and uses for network-connected computers. Explore computer hardware, software, operating systems and business applications such as word processors, spreadsheets and database management systems. You will also learn about design, development and testing to assist with program problem-solving.</td>
</tr>
<tr>
<td>Mathematics</td>
<td>Mathematics is a prerequisite for most university courses. In this subject you will develop your mathematical knowledge and practical skills of functions, graphs, calculus, sequences, series, probability and statistics, to prepare you for your tertiary studies.</td>
</tr>
<tr>
<td>Music</td>
<td>An ideal academic subject for high-achieving music students to count towards your final score. Receive individual tuition on your chosen instrument (or voice) and learn a variety of repertoire. Look at the theory of music, improve your aural skills, choral work, and learn about the history of music while developing your creative, intuitive side.</td>
</tr>
<tr>
<td>Physics</td>
<td>Physics introduces you to the concepts, models and applications of classical mechanics, waves, electricity and magnetism, and atomic and nuclear physics. Use Newton’s Laws and the concepts of energy, momentum, electromagnetism and quantum physics to solve problems based on real-life situations.</td>
</tr>
</tbody>
</table>

Assessment
Most subject assessment consists of practical work, assignments, essays and a final exam.
Unit descriptions visit: monashcollege.edu.au/foundationyear

---

**Boost your score with bonus points!**

With the Standard format, we recommend you study up to two additional units to give you 10 units in total.
For each additional unit passed, you’ll receive 1.25% of the unit score as a bonus to add to your final MUFY score!

**Bonus points + MUFY score = more opportunities!**

---
Foundation Year
Support during your studies

For many students, the classroom and learning style at Monash is very different to the studying style of their home country. We provide academic, pastoral, English and careers support during Foundation Year so you are prepared for success at university.

**Academic support**
At Foundation Year you will have access to:
- homework support classes to help you complete your assessments
- weekly support tutorials for all subjects – ask questions after class
- weekly mathematics drop in sessions
- subject consultations with Heads of Studies
- exam preparation workshops
- online access to extra teaching resources.

**Careers counselling**
We offer careers support including:
- advice to help you reach your destination degree
- hear from all 10 faculties at careers expos held each semester
- visit the University and become familiar with the campuses
- individual course counselling sessions
- weekly careers newsletter
- assistance with university and scholarship applications.

**Health and wellbeing**
We will support you with:
- psychologist and counsellor on site to offer academic, personal and emotional support
- regular monitoring of students under 18
- student attendance recorded
- weekly homegroup classes – discuss any issues and learn study tips
- student experience coordinator who arranges activities to help you meet new friends.

**English preparation**
Make sure you’re confident in English before you start university:
- complete the Monash English Placement Test and enter without an IELTS
- receive a conditional offer if you do not meet the English language requirements for direct entry into Foundation Year
- learn the Monash teaching and studying style
- successfully complete Monash English and have guaranteed entry to Foundation Year.

Thi Quynh Chi Nguyen (Chi), Vietnam
Monash University Foundation Year, Bachelor of Engineering

When I first came to Monash College, I had to learn to study independently but that didn’t mean that I had to study by myself. I was able to ask for help from my teachers whenever I needed it. Because of my time at Monash College I feel I have become more mature and better prepared for university life.

Watch Chi’s story at: bit.ly/chi-joey
**Foundation Year entry requirements**

Entry requirements vary depending on country. Please refer to our website for a complete list: monashcollege.edu.au/foundationyear

**Age**

You must be 16 years of age or older when you enrol. If you do not meet the age requirements, you may be offered a deferred place.

**English language**

Foundation Year applicants must meet one of the following requirements:

*Applicants from these countries do not need an IELTS or TOEFL test to meet the English language requirements, provided they meet the minimum English score for the Australian Year 11 equivalent qualification.
Monash College Diplomas offer specialist preparation for direct entry into your chosen Monash University degree. Choose to study art and design, arts, business, IT or engineering.

Course structure
Monash College Diplomas are in two parts, Part 1 and Part 2 – each lasts eight months#. You may enter the program at Part 1 or Part 2 depending on your qualifications and results. The Diploma program has been specifically developed with Monash University faculties and academic staff to prepare you for success in your destination degree.

Diploma Part 1
Diploma Part 1 is designed for students who have completed Australian Year 11 or its equivalent. Unlike a general Year 12 qualification, our diplomas let you specialise in the subjects that are most relevant to your destination degree.

After achieving the required marks in Diploma Part 1, you can either enter the first year of a linked undergraduate degree at Monash University or complete the Diploma Part 2.

Diploma Part 2
During Part 2 you will study the same curriculum and complete the same assessments as first year university students, with the added support of the College environment.

By achieving the required grades in your diploma studies, you will be able to enter Monash University in the second year of your destination degree.

Be better prepared with Monash English Bridging
To succeed at Monash University you need strong English language and academic skills. Our Monash English Bridging (MEB) program is ideal for students who have met the academic requirements but need additional support to meet the English language requirements. By completing the MEB program you will develop your English language skills and learn how to write essays, how to reference, and other valuable study skills that will help you succeed at Monash.

Once you have successfully completed the program, you will move directly into your chosen Monash College Diploma.

If your IELTS score (or equivalent) is below 5.0, consider our Monash English pathway. For more information visit: monashcollege.edu.au/english

---

Five reasons to choose a Diploma
1. Guaranteed entry into 1st or 2nd year of a Monash University degree*
2. Make friends and settle in with our four-week Get Connected program
3. Study on campus and become part of university life
4. Develop your leadership skills by joining the Mentor program
5. Fast-track your studies by completing 1st year university subjects in just 8 months*

# Not applicable for all Diploma streams.

*Entry requirements apply into Monash College and Monash University programs.

Prerequisites: All applicants must meet English and additional course prerequisites which are equivalent to an Australian Year 11 (Part 1) or Australian Year 12 (Part 2). Additional course prerequisites include:

Choose the Diploma of Arts and make an immediate start on your destination degree.

Select the Human Behaviour or the Psychology stream depending on your career pathway and study subjects tailored to preparing you for success during your degree. Develop a strong foundation in communication, journalism and psychology, interact with current arts students and access the Monash Clayton campus’ world-class facilities.

Assessment is varied to suit different learning styles and includes a combination of written examinations, reports, research papers, peer assessments, group projects, oral presentations and tutorial assessments.

### Diploma of Arts CRICOS 061625F

We’re here to help you succeed

- Make the most of weekly English language workshops for Arts Diploma students.
- Course advice offered by teachers and learning consultants.
- Informal one to one support sessions with teachers and learning consultants.

Diploma of Art & Design CRICOS 045084G

Choose the Diploma of Art & Design and make an immediate start on your destination degree.
We pride ourselves on working closely with Monash Art Design & Architecture to ensure you gain the confidence, skills and knowledge to achieve your career goals. Select your stream: Industrial Design, Architecture, Interior Architecture or Communication Design, and prepare yourself for a range of degrees in design, architecture or fine arts. Enjoy well-equipped classrooms and studios at the University’s Caulfield campus – labs with the latest Mac computers, printers and scanners, and purpose-designed studios for design, drawing and visual arts.

Choose your Diploma of Art & Design stream
Industrial Design, Architecture/Interior Architecture or Communication Design

PART 1
All Students

Trimester 1
- Drawing A
- Art and Design Theory A
- Basic Design Studio A
- Visual Arts Studio A

Trimester 2
- Basic Design Studio B
- Visual Arts Studio B
- Drawing B
- Art and Design Theory B

PART 2
Industrial Design

Trimester 1
- Basic Design Studio C
- Art and Design Theory C
- Digital Imaging
- Drawing C
- Intro Art & Design Health & Safety (non credit-point unit)

Trimester 2
- Enter first year of:
  Bachelor of Industrial Design (4 units credit)

Architecture/Interior Architecture

Trimester 1
- Architecture Studio 1
- Drawing C
- Art & Design Theory C
- Intro Art & Design Health & Safety (non credit-point unit)

Trimester 2
- Enter first year of:
  Bachelor of Interior Architecture (3 units credit)
  Bachelor of Architectural Design (3 units credit)

Communication Design

Trimester 1
- Communication Design Studio 1
- Drawing C
- Art & Design Theory C
- Intro Art & Design Health & Safety (non-credit point unit)

Trimester 2
- Communication Design Studio 2
- Art & Design Theory D
- Plus one elective from:
  - 3D Design and Animation
  - Photo Media Imaging 1

Enter second year of:
Bachelor of Communication Design (6 units credit)

Develop your folio
During Part 1 of the Diploma of Art & Design you will develop your personal folio of work – this folio will showcase your strengths and abilities and assist you in the future.

The Diploma of Art & Design is based at Monash Caulfield beside the Faculty of Art Design & Architecture. This means you’ll have access to award-winning campus facilities, dedicated design studios, university workshops and the Monash University Museum of Art.

Students intending to enter the Bachelor of Architectural Design will complete MCD1550 (Introductory Mathematics for Business) instead of MCD1590 (The Modern World).
Diplomas

Diploma of Engineering CRICOS 043634K

Choose the Diploma of Engineering and make an immediate start on your destination degree.

Learn on campus at Monash Clayton and study subjects to set you up for whichever pathway you wish to pursue. Engineering stream students can access the University’s unique, world-class facilities such as high-voltage labs, wind tunnels and wave tanks – or apply to become part of Monash Motorsport. IT stream students – consider getting involved in the IT boot camp and learn how to program computer games.

Assessment is varied to suit different learning styles and includes a combination of written exams, group projects, oral presentations, online assessments, poster presentations and tutorial assessments.

Choose your Diploma of Engineering pathway

PART 1

Trimester 1
- Introductory Engineering Computing
- Introductory Chemistry
- Introductory Physics
- Applied Mathematics

  - Mathematics for Engineering
  - Business Statistics
  - Physics for Engineering

Note: Elective units may not be available every trimester.

Fast-track your Engineering studies

The T3 Fast Track program is ideal for students who are eligible for direct entry into first year of an undergraduate engineering degree at Monash University, but do not want to wait for the March intake.

By applying for the Diploma of Engineering and commencing your studies in October, you could fast-track your studies and complete your Diploma in just eight months – in time to start second year at Monash University in the following July.

Interested in aerospace engineering?

You have the opportunity to complete your Private Pilot License through the Australian Airline Pilot Academy, as one of your Engineering stream trimesters.
Diploma of Business CRICOS 043633M

Choose the Diploma of Business and make an immediate start on your destination degree.
Select the Business or Commerce stream depending on your career pathway and study subjects such as accounting, management, marketing or economics. These units will provide you with an ideal start for a future career in business, government, or local and international enterprise. Interact with current students and use the Monash Clayton campus’ world-class facilities. Assessment is varied to suit different learning styles and includes essays, business reports, regular tests and a final exam.

Choose your Diploma of Business stream

Business

PART 1
- Trimester 1
  - Accounting for Business
  - Introduction to Management
  - Data Analysis
  - Introductory Economics

- Trimester 2
  - Introduction to Marketing
  - Introductory Law
  - Intercultural Business Communication
  - Introductory Mathematics for Business

PART 2
- Trimester 1
  - Accounting 1
  - Microeconomics
  - Management 1: Managing People & Organisations
  - Marketing 1: Marketing Theory & Practice

- Trimester 2
  - Business Law
  - Business Statistics
  - Choose two electives from:
    - Management 2: Managerial Communication
    - Accounting 2
    - Macroeconomics
    - Marketing 2: Buyer Behaviour
    - Business Mathematics

Commerce

PART 1
- Trimester 1
  - Accounting for Business
  - Introduction to Management
  - Microeconomics
  - Management 1: Managing People & Organisations

- Trimester 2
  - Introduction to Marketing
  - Introductory Law
  - Intercultural Business Communication
  - Applied Mathematics

PART 2
- Trimester 1
  - Accounting 1
  - Microeconomics
  - Management 1: Managing People & Organisations
  - Marketing 1: Marketing Theory & Practice

- Trimester 2
  - Business Law
  - Business Statistics
  - Choose two electives from:
    - Management 2: Managerial Communication
    - Accounting 2
    - Macroeconomics
    - Marketing 2: Buyer Behaviour
    - Functions & their Applications *

*Functions & their Applications or Business Mathematics are compulsory for entry into Faculty of Business and Economics destination degrees for students who have not satisfied the mathematics prerequisite in Part 1 or in previous secondary studies.
Success at Monash University requires a strong ability in English and exceptional academic skills. With lectures and classes conducted in English, you will contribute to and participate in class discussions from your first day.

The Monash University English Language Centre offers a range of academic and professional English language programs to help students gain the proficiency in English required for success at one of the world’s top universities.

Our courses are specifically designed to align with the requirements of Monash College and Monash University – we teach in the Monash style ensuring you receive the best possible preparation for the course you’re aiming to enter.

**Monash English**

Monash English is designed to improve your language skills to help you communicate better in English. You will:
- develop strategies to study independently
- develop your critical and creative thinking skills
- develop your confidence in class participation
- develop skills to form and communicate your personal opinion
- learn how to research and present an argument.

All these aspects of your program will give you the skills and confidence you’ll need to succeed at Monash. We offer programs from Elementary to Advanced – intakes begin every five weeks.

**Monash English Bridging**

Monash English Bridging is ideal for students who have met the academic language requirements for a Monash College Diploma or Monash University course, but haven’t met the English language requirements. It is a targeted program aligned to the academic expectations of Monash. You will learn how to:
- write essays
- reference your sources
- think critically
- articulate your opinion.

**Your English pathway**

1. **Monash English**
2. **IELTS**
3. **Monash English Bridging**
4. **Monash English Placement Test or IELTS**
5. **Monash University Foundation Year**
6. **Monash College Diploma**

*Or other recognised English language test.*
Kai Kong Chan (Chong), Hong Kong
Monash English Bridging, Diploma of Business, Bachelor of Commerce

Because I completed the Monash English Bridging program in Melbourne, I was so well prepared before I started my academic studies at Monash. Classes were conducted on campus so I became familiar with university life and the Monash culture, and made new friends before I commenced. I learnt how to write an academic essay and an annotated bibliography, which was essential for assessment. My teachers even helped me learn how to take notes during a lecture!

*Due to limited places for some MNHS degrees, fulfilling minimum entry requirements does not guarantee a place.

Unit prerequisites from Diplomas into Monash University may apply.
We understand that moving away from home to continue your education in a new country is a big decision for you and your family. At Monash College we will support you at each stage of your journey.

**When you arrive**

We will help you settle in to College life, understand the Australian culture and successfully transition into your studies. When you get to Australia:
- be prepared by downloading your enrolment and orientation schedule before you arrive
- Welcome! Our airport pick-up service will take you to your accommodation
- attend enrolment and participate in fun orientation activities
- learn about Melbourne, Monash campuses and your classes
- meet your teachers and make new friends.

**Ongoing support**

We will provide you with care and support to make sure you are safe, happy and achieving your best. During your time with us, you will have access to these services at all times:
- regular feedback from your teachers
- academic workshops and exam preparation tutorials
- counselling services
- health and medical care
- assistance with transition to university
- clubs and social events
- places of worship
- 24-hour emergency support.

**Orientation**

During your first week you will participate in an extensive Orientation and Enrolment program to help you make new friends and get to know your new city – we want you to enjoy studying and living in Melbourne!
I really enjoyed the different style of learning I experienced at Monash College – the teaching methods were very different to what I was used to. The teachers encouraged us to have group discussions in class about current topics, which taught me to study more effectively and form my own opinions. It also helped me to meet new friends all with the same dream of being successful in the future.
Your choice of accommodation

Live on campus for a true university experience

Located on the Clayton campus are seven halls of residence, the South East Flats and Normanby House, which offer collegiate accommodation for more than 1000 students, resident advisors and staff. On campus living provides single room accommodation, meals, facilities, and services. Residents enjoy a blend of intellectual stimulation, academic assistance, cultural diversity, recreational facilities, residential support, enrichment programs and social opportunities.

Options: choose between a one bedroom with shared bathroom or one bedroom with ensuite. Each residence also includes common areas for students to study and socialise.

Suited to: students over 18 years of age, who are looking for a university experience with a little more independence.

Location: Monash University Clayton campus.

Price range: from $214.20 per week (minimum stay of 42 weeks from February to December).

What’s included: furnished room, shared or ensuite bathroom, all utilities except for internet and phone, Monash Residential support services and activities.

For more information visit: mrs.monash.edu/oncampus/clayton

Experience life with an Australian family

With Monash Homestay you live with a supportive, local family while studying in Australia. This popular option gives you the chance to experience life with an Australian family. You will form long-lasting friendships, learn new customs, improve your language skills and enjoy an authentic, cultural experience.

Homestay hosts are ready and willing to welcome students into their home. Hosts complete a formal screening process, so you can arrive in Australia knowing you are going to a safe and stable home.

Suited to: students under or over 18 years of age looking for a unique Australian experience.

Location: various. You will always be within 60 minutes of your Monash campus.

Price range: from $329 per week + initial placement fee.

What’s included: furnished room, shared bathroom, three meals a day, all utilities except for internet and phone.

For more information visit: monashcollege.edu.au/homestay
Student accommodation in the heart of Melbourne city

There is a range of affordable and fully furnished student lodges located a short walk from the Melbourne City campus. Each lodge offers you a sense of independence, while still offering a high level of security, with staff available 24 hours a day, seven days a week. There are a number of Monash-approved student lodges with floors dedicated to students under 18 years of age. Food packages are also available so you can concentrate on your studying.

**Options:** choose between a studio, one or two bedroom with a shared or ensuite bathroom. Some lodges also have student common rooms.

**Suited to:** students under or over 18 years of age, who are looking to live in the heart of the city.

**Location:** various locations throughout Melbourne city.

**Price range:** $300 – $450 per week (minimum term of 6–12 months).

**What’s included:** furnished room, shared or ensuite bathroom, utilities, support services and student activities.

For more information visit: arrowonswanston.com.au, alberthouse.com.au, studenthostel.net/dudley

---

Independent living in rented accommodation

For complete independence, Melbourne has a wide range of rental accommodation types, from inner-city apartments to suburban houses. You can choose between single dwelling in a one bedroom flat, or you may choose to share a multiple bedroom house with other students. Properties are subject to availability and are organised directly by students. When choosing a property it is important to consider the best transport options to and from campus, understand your responsibilities in regards to rental contracts and bonds, and put money aside for utilities and food.

**Suited to:** students over 18 years of age, who are looking for independence.

**Location:** various locations throughout Melbourne.

**Price range:** from $250 – $450 per week (minimum term of 12 months).

**What’s included:** properties may be unfurnished, partially furnished or fully furnished. Generally no utilities are included.

For more information visit: realestate.com.au, domain.com.au
How to apply

1. Choose your preferred Monash College pathway and Monash University course

2. Apply to Monash
   To apply you will need to complete the attached application form and provide certified, translated copies of your academic transcripts, completion certificates and evidence of your English language proficiency.
   
   You can do this in two ways:
   1. Directly
      By sending all application information to:
      Central Admissions, Monash University
      Monash Connect
      Building A, Ground floor
      900 Dandenong Road, Caulfield East
      VIC 3145, Australia.
   2. Through a Monash registered agent
      An Education Agent can assist in submitting the necessary paperwork.
      To find a Monash approved agent visit: monash.edu/agents

3. Receive an offer from Monash
   By packaging your Monash College course with your undergraduate degree you will only need to apply for one student visa!

4. Accept your offer
   Pay your deposit and Overseas Student Health Cover fee as stated on your offer letter

5. Receive a Confirmation of Enrolment

6. Lodge your visa application
   For more information on student visas visit: immi.gov.au

7. Receive your visa

8. Pack your bags and fly to Melbourne
   Congratulations – you’re on your way to one of the world’s top 100 universities!

For more information visit: monash.edu.au/study/international/apply/visa

Monash offers streamlined visa processing
Monash University has been approved by the Australian Government as an eligible university to access the Department of Immigration and Border Protection’s Streamlined Visa Processing arrangements under the Student Visa Program. This process streamlines the documentation required for a student visa application and accelerates the visa application process for Monash international students.

For more information on how to apply visit: monashcollege.edu.au/apply
Application form – for International students

How to complete this form

- Please write clearly in black ink using capital letters in English.
- Include one set of supporting documents with this application including certified English translated copies.
- A non-refundable application fee of A$100 must be paid when you submit this form.
- All supporting documents for this application must be certified as true copies of originals.
- Ensure that you sign the declaration at the back of this form.
- Please note that delays may occur in the processing of this application if the application is incomplete.

Which course do you wish to apply for?

- [ ] English Language course (packaged)
- [ ] Monash University Foundation Year
- [ ] Monash College Diploma

Are you a citizen or permanent resident of Australia, or citizen of New Zealand?

- [ ] Yes
- [ ] No

If Yes, please use the domestic students application form.

Note: Only international students are eligible to enrol in the Foundation Year program. A change of visa status to become an Australian permanent resident during the Foundation Year or a Monash College Diploma program may invalidate the degree pathway guarantee. Visit monashcollege.edu.au/how-to-apply/student-visas.html for more information.

1. Personal details

Monash Registered Agents:

If you apply through an agent please ensure that your agent is registered with Monash University or you may experience delays in your application.

For details of registered agents in your country please go to monash.edu/agents.

Agency name: |

Agent staff name: |

Telephone:

Country:

2. Citizenship and other information

Country of citizenship (as stated in passport):

Country of birth:

You must submit a translated, certified true copy of the personal details page of your passport or birth certificate.

Have you applied for OR do you hold any type of Australian visa?

- [ ] Yes
- [ ] No

Visa type: |

Expire date (if applicable): D D / M M / Y Y Y Y

Have you been refused an entry visa to any country?

- [ ] Yes
- [ ] No

If yes, please attach evidence.

Which Australian Immigration Office issued your visa?

Have you breached any visa conditions in any country?

- [ ] Yes
- [ ] No

If yes, please explain:

Do you have any medical or health issues that may prevent you from obtaining your visa in? In answering this question go to www.immi.gov.au/allforms/health-requirements that lists medical and health conditions of concern to the Australian Government.

Also note that health insurance in Australia will not extend to a pre-existing medical condition.

- [ ] Yes
- [ ] No

If yes, please explain or attach relevant documentation.

Do you have any physical or mental health condition or other issue which may prevent you to undertake full time study?

- [ ] Yes
- [ ] No

Have you been issued a protection visa in any country to date?

- [ ] Yes
- [ ] No

If yes, please attach evidence. Translated into English (if required) and certified.

Have you been convicted of any crime or offence in any country?

- [ ] Yes
- [ ] No

If yes, please provide ALL relevant details. Translated into English (if required) and certified.
3. Students with disabilities

Do you have a disability, impairment or long-term medical condition that may affect your studies?  □ Yes □ No

If yes, Monash will require medical documentation from a relevant treating professional outlining the impact of your condition on your ability to meet the university academic demands. Disclosure of disability is treated confidentially and will not be used to disadvantage you. The Social Justice Unit at Monash may contact you to discuss the services available. More information: monash.edu.au/equity-diversity/disability

4. English Language courses – packaged

Please select your preferred Monash University English Language Centre course:    □ Monash English (ME) □ Monash English Bridging (MEB)

The duration of the English Language course will be based on your IELTS/TOEFL/Pearsons Test of English (Academic) results and will be advised in your offer letter. If you do not have an IELTS/TOEFL/Pearsons Test of English (Academic) score, you should take the Monash English Placement Test available through all Monash registered agents.

5. Foundation Year

Please note that your offer will be packaged with your preferred Monash University degree and/or English program.

Year:    □ January (Standard) □ March (Intensive) □ March (Extended) □ July (Standard) □ September (Intensive) □ September (Extended)

The undergraduate course I would like to study at Monash University is (list in order of preference): Refer to monash.edu/coursefinder for guidance.

Finished date: __/__/________

8. Credit transfer for Monash College Diplomas (if applicable)

Are you applying for credits?  ☐ Yes  ☐ No
Note: Credits are only considered for Business stream courses.

9. English proficiency

Please tick the appropriate box and attach certified copies of all original results.

☐ English was the language of instruction in my previous studies (documentary evidence must be provided if institution is located in a non-English speaking country).

☐ I have achieved a satisfactory level of performance in English as a subject in an Australian Year 11 or Year 12 equivalent course.

☐ I will sit/have sat for an English language proficiency test. ☐ IELTS or ☐ TOEFL ☐ Pearson's Test of English (Academic)

Result (if known) Overall Listening Reading Writing/TWE Speaking

Please note, only test results taken two years prior to commencement will be accepted.

☐ I have completed the Monash English Placement Test through a registered Monash agent. Test Result (office use only) ____________________________

Date taken: __/__/________

If you do not meet the English language entry requirements for your chosen course, you may receive a Conditional Offer for an English language program.
10. Application fee payment

You can pay the A$100 application fee by credit card, money order or bank draft payable to Monash University.

Bank drafts/money orders will need to be mailed or delivered in person to International Recruitment Services. Please ensure you include your full name and date of birth on the back of the bank draft/money order.

Credit card payments can be made at the following link: www.monash.edu.au/fees/payment/payment-options.html.

If you have made payment using the online credit card service (from the above link), please print a copy of the payment confirmation email and attach to this application form upon submission.

If your A$100 application fee has been waived by Monash recruitment staff please insert the valid fee waiver promotion code or obtain the recruitment staff signature here:

Staff signature: [Signature]
Waiver promotion code: [Code]

11. Application checklist

This application is for Monash College Diplomas and the Foundation Year in Australia only. For other locations contact the provider. Note: Incomplete applications will cause delays in processing. Please ensure you have all relevant documents are translated and certified (where required). Check that you have:

- Completed all sections of the application form
- Paid the A$100 application fee (non-refundable)
- Read and understood the terms and conditions, privacy, cancellation, refund and grievance policies (monashcollege.edu.au/how-to-apply/our-policies-you.html)
- Provided certified proof of English proficiency
- Provided certified and translated copies of academic records/transcripts/grading scales. For detailed information about certification requirements please visit: monashcollege.edu.au/how-to-apply
- Read the additional information on your destination degree at monash.edu/coursefinder
- Provided a folio of 10-15 slides of artwork combined in one PDF file (size limit under 5MB) if applying for Diploma of Art and Design studies Part 2.
- For folio requirements, please refer to: monashcollege.edu.au/ Diplomas
- Completed and signed the declaration (or your parent if you are under 18)
- Provided a copy of official scholarship/sponsorship offer letter if applicable
- Provided a copy of the personal details page of the student’s passport or a copy of birth certificate

Send your application by post to: Central Admissions, Monash University

Monash Connect
Building A, Ground floor
900 Dandenong Road, Caulfield East
VIC 3145, Australia.

12. Declaration

This application form is submitted by: [ ] Self (direct applicant) [ ] Monash registered agent [ ] Other (e.g. sponsor, Australia Awards).

Name of other: [Name]
Agent and agent’s address (if applicable): [Address]
Country: [Country]

I warrant that the information on this form, or provided in support of my application, is correct, complete and up-to-date in every detail. I acknowledge that the provision of incorrect information or the withholding of relevant information relating to my application, including academic transcript(s), might invalidate my application and that Monash College Pty Ltd or Monash University may refuse to assess my application and withdraw an offer of a place or cancel my enrolment in consequence. Should Monash University determine that I have submitted a false document, I consent to Monash College Pty Ltd or Monash University disclosing this information to other relevant tertiary institutions.

I consent to any educational institution at which I have previously been a student and/or my current or any past employer, providing Monash College Pty Ltd or Monash University with information which that institution or employer holds about me for the purpose of Monash verifying my grades and/or qualifications or experience. I declare that I am a Genuine Temporary Entrant (GTE) and a Genuine Student and that I have read and understood conditions in relation to these requirements as defined on the following website: www.immi.gov.au/students/_pdf/2011-genuine-temporary-entrant.pdf

I am aware of the estimated total course fees at Monash College and Monash University and living costs for my stay in Australia. I understand that the total course fees do not cover the cost of books, materials, field trips or any additional cost related to my course, unless otherwise specified. I declare that I have sufficient funds to support myself and my family unit members (if applicable) for the total period of my stay in Australia (including proposed course fees for myself and any school-age family members, Overseas Students Health Cover, living costs and travel costs, regardless of whether my dependants intend to accompany me in Australia). I agree to abide by the statutes, regulations and policies of Monash College and Monash University.

I have read and understood the above conditions and accept them in full.

Signed as passport (student) [Signature]
Date [Date]

Signed (parent or legal guardian if applicant is under the age of 18) [Signature]
Date [Date]

Collection of personal information

The information collected by us, or on our behalf, during the admissions process and any subsequent candidature as a student at Monash College Pty Ltd (including digital images) is collected for the primary purpose of considering your application for admission to Monash College courses and, if you are successful, administering your course. For information relating to other purposes of collection and the type of organisations your personal information may be disclosed refer to monashcollege.edu.au/privacy.html

All documents provided to Monash College Pty Ltd become the property of the College and will not be returned to you. You have a right to access personal information that Monash College Pty Ltd holds about you, subject to any exceptions in relevant legislation. For information about how to seek access to your personal information or about the handling of your personal information including how a complaint will be handled, please refer to the privacy policy at monashcollege.edu.au/privacy.html. For enquiries please contact the Monash College Pty Ltd Privacy Officer by email at privacy@moncp.edu.au.

Monash College reserves the right to revise student fees from time to time. Applicable refund policies are accessible online at monashcollege.monash.edu.au/how-to-apply/our-policies-you.html.

By submitting this application, you warrant that you have read, understood and agree to the refund policies.

---

**Did you decide to boost your score with bonus points?**

If you choose to study the Standard Foundation Year program you have the option to complete two additional units (10 units in total) and boost your final score.

All fees above are based on you completing eight Foundation Year units. If you choose to study additional units you will need to add them to your Standard course fee.
To be better prepared for your Foundation Year studies consider packaging your course with Monash English. Courses start every five weeks.
