MONASH College

MONASH COLLEGE STRATEGY 2026 – 2030

Monash College recognises it is located on the unceded lands of the people of the Kulin Nations, and pays its respects to their Elders past and present.

MONASH College

INTRODUCTION For over 30 years, Monash College has had a longstanding reputation as a leading pathway provider domestically and internationally ensuring that students find success at Monash University and beyond. Monash College strives to broaden access by establishing pathways to Monash University for learners across the globe. This founding purpose remains at the core of everything we do.

Monash College is a wholly owned subsidiary of Monash University and delivers the promise of University to its students, onshore in Australia, and offshore via its International Partners across the Indo-Pacific region. This thriving network of global education enables the College to deliver at scale while maintaining a high-quality education experience and comprehensive student support that underpins **Our Student Promise**. Our international network provides the capacity to serve as a critical enabler of access, preparing diverse student cohorts for academic success and across our regions and beyond.

OUR PURPOSE

Monash College delivers the promise of Monash University to our students.

We exist to establish direct pathways to a globally connected university with a distinctive presence in Australia, across the Indo-Pacific and beyond.

Our Student Promise is distinct, assured and effective: We prepare students for academic, social, wellbeing and career success for university and beyond.

As the primary pathway to Monash University, locally and internationally, we broaden access to a world-class education that is animated by enacting positive impact for the communities and regions it serves.

OUR PROMISE
STUDENTS

Every student feels seen for who they are – and what they are capable of.

We will **lead** with care and support, **create** a welcoming, collaborative and dedicated learning environment that builds confidence, their English proficiency and academic abilities and **provide** personalised feedback to ensure student success.

Our students will leave the College with a deep sense of pride, excellent academic foundations – ready for Monash University and their future career pursuits. As the next generation of future global leaders, they will be ready to drive positive impact for the communities they serve.

Our teaching facilities are world-class, as are our resources. We **show** students the transformative nature of education to overcome challenges and create positive change.

The College campus resembles a village of people united by a sense of connection, appreciation of diverse cultural backgrounds, and individual agency. Our dedicated teams of educators, learning advisors and support services are trusted and guide students to academic and life success.

OUR PROMISE
STAFF

Our People Promise – **distinctively purposeful, connected and proud** – informs, guides and shapes the College staff experience.

The College's People Promise is expressed through four defining pillars of **Passion**, **Purpose and Pride**, **Legacy and Excellence**, **Growth and Development** and a **Sense of Belonging and Connectedness**.

By embracing our People Promise, we strengthen our culture, attract and retain sought-after talent, and deliver on our bold strategic ambitions that focus on education and operational excellence – with the capability, agility and momentum to drive positive impact and change.

For more than three decades, the College has been proud of its role within the Monash Group, its longstanding reputation for excellent pathways teaching, and ensuring student success at one of the world's top 50 universities.

OUR PROMISE
UNIVERSITY

We will deliver the promise of University to our students.

Monash College will deliver to *Impact 2030.*

Monash College is a wholly owned subsidiary of Monash University; our purpose and prosperity are symbiotic. Our promise to the University is that we actively contribute to the bold ambitions and strategic focus set by the University to deliver on our interlinked founding purposes.

The founding reasons for being of the College are to establish pathways, nationally and internationally, and to broaden access to and the appeal of a world-class education. The College's connected, immersive and excellent student experience provides the foundation to a world-class Monash education – an education that transforms students into the most sought-after graduates.

The College will be excellent in its connected student experience, its pathway and preparatory education and its teaching.

Our staff will work closely with various areas of the University to deliver our shared purpose and ensure a teaching and learning environment that unlocks opportunities for students to succeed in whatever pursuit they undertake.

We will work together, closely, to ensure all Monash students are among the next generation of global leaders.

OUR STRATEGY

The future direction of Monash College is intentional and derived from purpose, impact, and the collective momentum of the Monash Group.

Our 2026–2030 Strategy is designed to respond to the outcomes set in Monash University's Implementation Plan, positioning our work to directly contribute to the University's bold ambitions.

Through focused objectives and clear actions, our strategy ensures Monash College remains excellent in its teaching and professional services, while working in deep connection and collaboration with the University to prepare the next generation of global leaders.

Our strategy positions the College to advance critical outcomes:

OUTCOME 1

A global campus network – interconnected across the Indo-Pacific and beyond, and embedded in the communities we serve.

OUTCOME 2

Excellent education and immersive student experience – sought after in service to our communities and the world.

OUTCOME 3

Indigenous voices, knowledge and advancement – championed through our programs, partnerships and people.

OUTCOME 4

Sustainable, ethical and well-governed practices – exemplified across our global operations.

OUR STUDENT PROMISE

Through our connected, immersive and excellent student experience, we provide students with the required skills, knowledge and capabilities to thrive at Monash University and emerge as confident, capable graduates ready to drive positive impact around the world.

OUR STUDENT VOICES

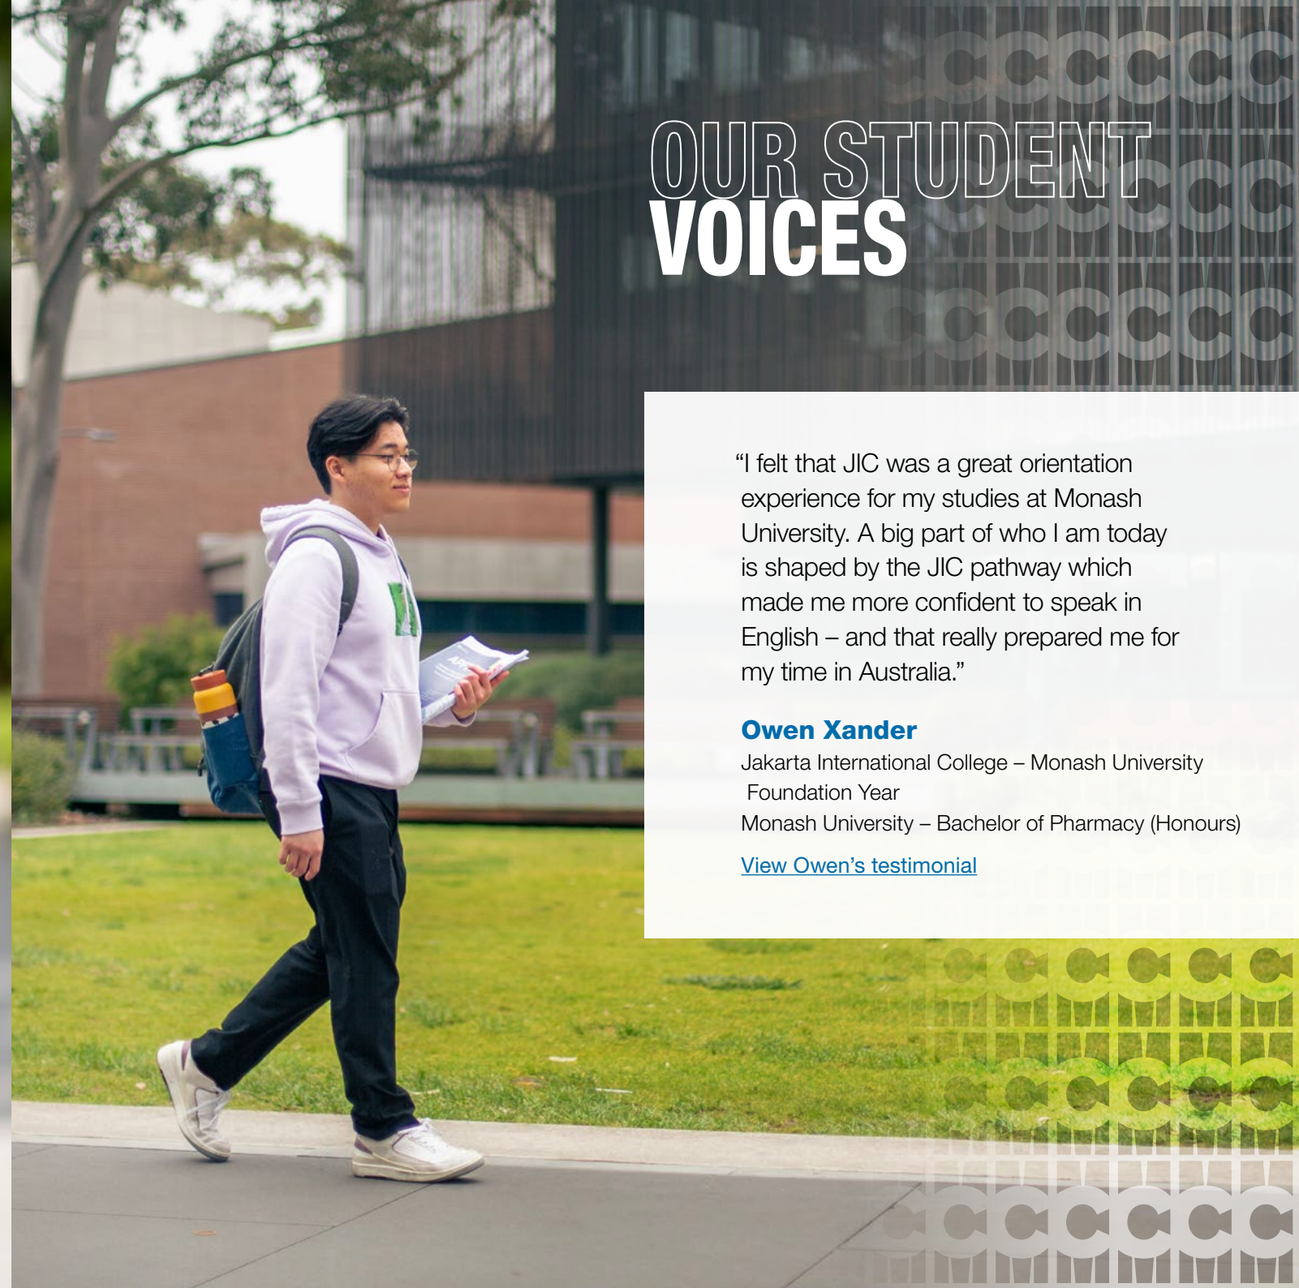

"Being part of both Sunway College and Monash University feels like both halves of a really formative journey. Sunway College has given me the foundation and confidence to take that leap overseas, while Monash has given me the space to become who I am today."

Chan Er Ling

Sunway College – Monash University Foundation Year
Monash University – Bachelor of International Business and Master of Business

“I believe the pathway at Monash College helped prepare me for my bachelor’s degree at Monash University. The learning style here is very different from Cambodia, with a strong focus on independent learning and critical thinking. Monash College really helped me ease the transition into this new way of learning.”
