

These terms and conditions apply to the use of the Monash College Under 18 Guardianship Service by Monash College students and Monash University students.

In these terms and conditions:

Guardian means the Monash College Under 18 Guardianship Service or a Department of Home Affairs approved guardian, whichever is applicable to your child;

Monash College Under 18 Guardianship Service is the guardianship service operated by Monash College Pty Ltd, that provides services to approved Monash College and Monash University students;

Accommodation Provider means one of the Monash-approved accommodation providers listed on the Under 18 Welfare and Accommodation form.

Homestay means a Homestay provided by a Monash Approved Homestay provider only.

Visa requirements

To meet the requirements in your child's student visa:

1. Your child must not change their accommodation or welfare arrangements without written approval from their Guardian.
 - Your child must make and attend an appointment with their Guardian if they want to propose a change to their accommodation or welfare arrangements.
 - Approval for any requests to change accommodation or welfare arrangements is not automatic. The Guardian may decline to approve any change in arrangements, if this is determined to be in the best interest of the child.
2. Your child must not enter Australia before the day nominated by Monash College and Monash University as the day on which their welfare and accommodation arrangements are to commence. This is the Confirmation of Appropriate Accommodation and Welfare (CAAW) start date.
3. If you have not selected the Monash College U18 Guardianship Service for your child, you must apply for a Department of Home Affairs-approved arrangement. Your child is then required to stay in Australia with the person who is their parent or legal custodian, or a relative nominated by their parent or legal custodian who has turned 21 and is of good character. This arrangement is approved by the Department of Home Affairs, not by Monash College or Monash University.
4. Your child must meet their visa conditions while studying and living in Australia, or their visa may be cancelled and they may have to leave Australia.
5. As an international student, your child must remain enrolled in the course or transfer to another course with the approval of Monash College or Monash University, or they may be reported to the Department of Home Affairs as being in breach of their visa.
6. Your child must maintain satisfactory academic results for each term, trimester or semester of the course. If your child's results do not meet the course requirements, they may be reported to the Department of Home Affairs for unsatisfactory progress which is a breach of their visa.
7. Your child must maintain satisfactory attendance for each term, trimester or semester of the course. If their attendance do not meet the course requirements, your child may be reported to the Department of Home Affairs for unsatisfactory attendance which is a breach of their visa.
8. Your child must return to their home country if there is a large gap between their courses.

- Any gap of two months or more will normally require your child to return to their home country. Your child must seek immediate advice from their Guardian if the gap is two months or more.

A child who breaches curfew can expect to be given a warning letter and asked to agree to a behaviour contract.
