

How to view your timetable

1. Check the [Allocate+ dates](#) to see when your timetable will be released
2. [Log in to Allocate+](#) using the link for the correct year and your Monash student login details.
The year is when classes first start for the Trimester/Semester/Term, for example: if classes begin in October 2026 and finish in 2027, all classes including exams will be in the 2026 Allocate+.

3. On a mobile device, select **Timetable** from the drop down menu on the top left.

On a larger device, select **Timetable** from the menu bar across the top right.

4. Tap/click on individual tiles to view more information about each activity including specific dates and locations.
