Over the past five decades Monash University has evolved from a small suburban campus to one of the most international universities in the world. Today, around one third of Monash University’s students come from outside Australia, each of them making an important contribution to the diversity that is celebrated throughout our University community.

From its formation, Monash College has served an invaluable role in offering many of our most outstanding students a pathway into the University. Studying at Monash College is a wonderful opportunity to prepare for Monash life, providing you with skills, support and friendships that you will draw upon throughout your careers.

Monash graduates have earned international acclaim for their accomplishments. I hope that in coming years you view your time at Monash College as a formative moment on your journey to joining them.

Welcome to Melbourne

Melbourne has been named the world’s most liveable city for six years in a row by The Economist. It’s easy to see why! Here, you can enjoy our museums, restaurants, sporting events, cafes, architecture, shopping, beaches and parks. With trains, trams and buses, you’ll find it easy to explore this fantastic city.

A new way to learn

The teaching and classroom environment in Australia is different to your home country. At Monash College, you will learn how to ask your teacher questions, and discuss your opinion with your classmates.

In Economics, we do a role-play to help you understand how the Reserve Bank of Australia makes decisions. You’ll receive fake money and government bonds to buy and sell with other groups.

Foundation Year

We use Google Forms and Quizlet to quiz you on the lecture content. This provides us with real-time, statistical feedback on your understanding.

Trish Cap
Diploma of Arts

What’s a silent debate?
In English, you’ll be placed in a group to debate a topic with another group. The only difference — you’re not allowed to talk! Because you cannot talk, you’ll need to rely on writing, which helps you learn to translate your thoughts. It also helps you learn to collaborate with your classmates.

Foundation Year
How is the classroom different?

**Small classes:** You’ll be part of a class that has about 20 students.

**Your voice:** Our teachers want you to share your opinion and discuss your ideas.

**Group work:** You’ll participate in group work, and learn how to be a good team member.

**Feedback:** Your teachers will give you lots of individual attention and feedback.

**Technology:** We use technology as part of our teaching. This helps you apply what you have learnt to the real world.

“Our approach focuses on ‘learning by doing’ in a collaborative environment. We use the latest technology for interactive learning activities in our lectures.”

Rishaad Abdoola
Diploma of Engineering

Amanda
Teacher Librarian
“We’ll help you find books for your assignments, locate journal articles and reference sources. We can also help you find a book to read for enjoyment! We love helping you to locate the exact piece of information you require.”

Rachel
Learning Skills Adviser
“The learning style at Monash College is different to what you’re used to. I’ll help you with essays, referencing, oral presentations, report writing and group work skills. I also organise academic writing and exam preparation workshops. I want to make sure you improve your marks and that you have a great learning experience!”

Peter
Security Officer
“There are security officers on duty every day at Monash College. All visitors need to sign in and we make sure only approved people enter the building. We also check that you’re wearing your student wristband. We are here to make you feel safe and welcome!”
Suzanna and Rachel
Careers Advisers
“We’re here to help you with subject selection, your pathway to university, leadership opportunities, preparing a resume, scholarship applications, developing your interview skills and job applications. We’re passionate about helping you to reach your study and career goals.”

Megan
Student Counsellor
“Adjusting to life without your family and friends – and a new language – takes some time. If you want to talk about study issues, family, or adjusting to life in Melbourne, I’m here to listen! I’ll help you find the best solution to manage any challenges. I’ll help you feel confident and happy so you can achieve great things.”

Amali
Student Administration
“My team coordinates enrolment sessions, course progression, attendance, fees, exams, and general student questions. Most of our students are young and from non-English speaking backgrounds, like you. We are here to support you so that you can focus on your studies.”

Kimie
Student Engagement
“We want to make sure you have the best experience when you study at Monash College! We plan fun activities to help you meet new friends. Participate in Chinese New Year, the Japanese Festival, Harmony Day, or a trip to the beach. We also organise the student leadership program.”

Afiq
Student Leader
“Student leaders are here to welcome you! We’ll meet you during orientation and answer all your questions about studying at Monash and living in Melbourne. If you’re a little nervous – don’t worry! We know exactly how you feel.”

My week at Monash College

“Studying at Monash College is so different to studying in Singapore. The learning environment is supportive and inclusive – there is also a lot of group work and discussions. I’ve never felt as happy in a classroom as I did at Monash College!”

MONDAY

9 AM
English – my favourite class! I started the week with a big smile.

TUESDAY

9 AM
Geography class – we did a group activity. I made a microwave cake and brought it to class to share.

WEDNESDAY

9 AM
Classes started later today, so I sat at my favourite table and chatted with the teachers.

THURSDAY

9 AM
Biology! Today we did a group activity. I made a microwave cake and brought it to class to share.

FRIDAY

9 AM
Today we tested the acidity of various milk brands with pH strips in our Chemistry class.

10 AM

Break time. I met my friends at the library, did my homework and ate my lunch.

11 AM

Biology class – I loved learning about the tiny things that make the Earth and humans function.

12 PM

Chemistry class – today we learnt about acid and alkali.

1 PM

After class I went to the park and read a book.

2 PM

We did a practical experiment in Biology today. Practicals are fun but you’ve got to be precise to get the right results!

3 PM

I organised chess club. After the teachers finished their meetings, they came and played with us.

4 PM

After chess club, I went for a walk around the city.

5 PM

I stayed back after class and did some homework.

6 PM

I watched a movie tonight.

7 PM

I watched a movie tonight.

8 PM

I cooked dinner with my roommate. I made another microwave cake for English class tomorrow!

MONDAY TUESDAY WEDNESDAY THURSDAY FRIDAY

Break time. I met my friends at the library, did my homework and ate my lunch.

Finished my classes for the day! I went to my favourite table and completed my homework in advance.

It was sunny today, so I went to the park and sat under my favourite tree.

I did some grocery shopping before I went home.

MONASH COLLEGE COURSE GUIDE 2018
Monash College campuses

We have three campuses in Melbourne. You’ll find facilities like convertible classrooms and modern study areas, which help you learn in exciting new ways.

You’ll also find lots of places to do your assignments, borrow books and have lunch with your friends. Whichever campus you study at, you’ll be part of a dynamic Monash community.

monashcollege.edu.au/live-and-study-in-australia/campuses

Our city campus is in the heart of Melbourne, so you’ll be close to transport, libraries and museums.

“I took music as one of my subjects and I spent most of my free time playing my flute in the music practice rooms. It was my favourite place on campus.”

Jerome

Who: Foundation year students.
Facilities: Group and individual study areas, student common rooms, science laboratories, music practice rooms, library, prayer rooms.

How to choose your accommodation

Are you under 18?
You’ll need to stay in places that offer more safety and support. Look at off-campus options or homestay.

Which Monash College campus will you be studying at?
Choose accommodation that is close to your campus.

What kind of experience do you want?
Make a list of what’s important:
> living on your own
> sharing with friends
> kitchen for cooking
> student activities.

Accommodation options

ON-CAMPUS
If you want to be part of an exciting, multicultural community, you can live on-campus at Clayton. You’ll enjoy modern, student accommodation near your classes. You can also get involved in a range of student activities.
Provider: Monash Residential Services.
Who: Diploma students.

OFF-CAMPUS STUDENT ACCOMMODATION
Our approved accommodation providers offer secure, apartment-style living with lots of student facilities. All rooms are furnished and staff are available 24 hours a day to make sure you feel safe.
Providers: Urbanest Melbourne Central, Arrow on Swanston or Albert House.
Who: Foundation year or art and design students.

HOMESTAY
If you want to experience life in an Australian home, living with a local family – known as homestay – is a good choice. You’ll stay in a safe, supportive environment (just like home!) and get to practise your English every day.
Provider: Monash Homestay Accommodation Services.
Who: Students under 18, diploma or foundation year students.

RENT OR HOUSE SHARE
Rent your own place, or share with friends. Choose a place that’s close to your campus and make sure you visit the property before you sign a lease.
Who: Students over 18.
Students under 18

At Monash College, we understand it can be hard to leave home and adjust to a new country. That’s why we specialise in helping younger students settle into life in Melbourne.

monashcollege.edu.au/live-and-study-in-australia/information-for-students-under-18

“What do I need to do before I arrive?

Your guardian

Every student under 18 needs to have a guardian – someone who is responsible for you until you turn 18. Your guardian can be:

> a Monash College staff member (from the Monash College Under 18 Guardianship Service team)
> a parent or relative approved by the Department of Immigration and Border Protection.

Accommodation for under 18s

Before you arrive, we’ll also need to approve your accommodation. You can choose to:

> live with the person who is your approved guardian
> stay at off-campus student accommodation (we recommend Urbanest Melbourne Central)
> live with a homestay family
> live on-campus at Clayton.

Meet the guardianship team

At Monash College we have a team of guardians to take care of students who are under 18. You will be assigned one of our team members to act as your guardian. Think of us as a friendly face you can come to when you need help.

Our guardians will help you with:

> organising your orientation
> opening a bank account
> finding accommodation
> arranging medical appointments
> supporting you during emergencies
> speaking to your teachers to keep track of your attendance and academic studies
> reporting to your parents.

Patrick
Under 18 Guardianship Manager

“If you won’t be living with a parent or relative, you need to arrange to have a guardian. We have a guardianship team that organises regular meetings with you, support during emergencies, and assistance with settling in, accommodation and opening bank accounts.”
What’s it like sending your child away from home?

“My worries were relieved as soon as I met Anna. She was very reassuring in addressing my concerns. I really appreciate her meeting my daughter, Edwina, on a regular basis to check her wellbeing and academic progress. I am really impressed with her dedication, commitment, caring nature and professionalism. I would recommend the Monash College guardianship service to any parent.”

Edna Liong, Singapore

“I was so worried about Kyle, so I wrote to his guardian, Hollie. She was very friendly and attentive. When Kyle arrived in Melbourne, he was so happy to find a Myki card in his room! Hollie gave my son lots of advice, guidance and encouragement. I would certainly recommend the Monash College guardianship service. The guardian takes on the responsibilities of a parent, but is also a reliable and close friend of your child.”

Thuc Anh, Vietnam

“On your first day, we’ll talk to you about safety. We’ll tell you about transport, emergency services, money and visa rules. We also organise special events to help you get to know other students under 18. We visit the zoo, have barbecues and go to the beach. You can call us at any time of the day or night.”
Your pathway to Monash University

At Monash College, you can study a foundation year or a diploma. Both offer you guaranteed entry to Monash University.* The entry requirements, what you will study and your degree options are different.

**Foundation Year**

Monash University Foundation Year will help you develop your academic and English skills so you start to understand the Monash teaching style.

**Course formats**
- **Standard**: Offers the widest range of subject choices (choose from 12), helping you to enter all 10 Monash faculties.
- **Intensive**: Ideal if you are an advanced student. Subject choices are limited – English, Mathematics, and Chemistry or Accounting.
- **Extended**: Improve your English and mathematics skills and receive lots of individual feedback. You’ll be much better prepared to start foundation year!

Get ready for your Monash course

Our English courses are designed to help you get into your Monash College course. You’ll learn the reading, listening, speaking and writing skills you need for your Monash studies. You’ll also adjust to the Australian way of teaching before your course starts. Plus, you can enjoy living in Melbourne, one of the world’s most liveable cities.  

monashcollege.edu.au/english-courses

Not sure which English course is right for you?

Don’t worry. After you’ve applied, we’ll send you an offer for the course that you need.

The best place to study English is in an English-speaking country. In Melbourne, you’ll have the opportunity to practise your English every day.

“Our teachers are experts in English who understand it can be hard to learn a new language. They’ve helped thousands of students to improve their English skills in preparation for university.”

DIPLOMA OF ARTS
BACHELOR OF ARTS

“At Monash College, I learnt how to think critically and develop my own ideas. It also helped me get into my preferred course at Monash University! During my studies I worked a part-time job and completed a journalism internship with Speaker TV’s Department of the Future.”
If you’re inspired by new ideas, social and political issues, and the way literature, history and communication shapes our world, then arts, humanities and social sciences at Monash could be your calling.

Our graduates go on to work as journalists, marketers, and psychologists, and in politics, publishing, communications and foreign affairs.

BACHELOR OF EDUCATION (HONOURS)/BUSINESS

“I didn’t plan to study education. I decided to because of my teachers at Monash College – their teaching style inspired me. They really engaged with their students and helped us to learn our own skills. They were always encouraging us to do our best. This is very different to the education I was used to, and I wanted to learn more about it.”

MONASH UNIVERSITY
FOUNDATION YEAR
BACHELOR OF PHARMACY

“The classes at Monash College were much smaller than my home town. This meant individual attention and interaction with my teachers. It helped me develop good learning habits and form a strong foundation for university. I chose Monash College as my pharmacy pathway to Monash University. I’ve now entered the Faculty of Pharmacy and Pharmaceutical Sciences, which was my dream!”
If you like to analyse and explore the world around you, a degree in science is the start of a rewarding career. Your time at Monash will be filled with lab work, field trips, industry placements and classroom teaching. You can tailor your degree to suit your interests, with 23 areas of study to choose from.

**BACHELOR OF SCIENCE/ARTS**

“The learning style at Monash College was very different. I really enjoyed the research projects. We were encouraged to choose our own topic that interested us. I’d never done a project like that at home! The teachers were very student-focused. They always made time to talk to you and answer your questions.”

### Course Types
- Comprehensive courses
- Specialist courses

### Calculate your foundation year score
**Step 1:** Add your eight highest unit scores.
**Step 2:** Divide the total by eight.
**Step 3:** If eligible add bonus points. Add 1.25% of the score of each additional unit you pass to Step 2 (maximum of two bonus point units).

### Calculate your diploma score

**D** All applicants must make a written submission, and if shortlisted will be invited to an interview. For further information please visit: monash.edu/admissions/personal-statements. For further information please visit: monash.edu/admissions/personal-statements. Foundation year students cannot receive a packaged offer for this course. There are a limited number of places available in this course. The entry score given is only indicative.

**F** Students will be required to obtain a Police Check, and a Working with Children Check prior to enrolment. On-enrolment a medical certificate specifying the student’s current health and immunisation status is required. International students need to meet English requirements for registration. Further information on student registration and obligations are available online at: http://admissions.monash.edu/student-registrations.

Please note: The destination degree entry requirements listed apply to Monash University Foundation Year students who commence their Monash University Foundation Year in 2019, subject to the following exception.

In instances where the listed destination degree entry requirement is different to the score published at the time of a student’s initial enrolment, the entry requirements published at the time of the student’s enrolment will be honoured. The diploma part 1 and 2 entry requirements published in this guide are for students commencing their undergraduate destination degree in 2019.

How to apply
monashcollege.edu.au/courses/how-to-apply

1. **Choose your pathway**
   Choose your Monash University course, and decide on foundation year or diploma.

2. **Apply**
   Send your completed application form and attachments (outlined in the form) to:
   Central Admissions
   Monash Connect, Clayton Campus
   21 Chancellors Walk, Campus Centre
   Monash University
   VIC 3800, Australia.
   OR
   Apply through a registered agent
   monash.edu/agents

3. **Receive your offer**
   Package your Monash College course with your undergraduate degree. This means you’ll only need to apply for one student visa.

4. **Students under 18**
   If you’re under 18, we’ll send you a welfare and accommodation form. To complete the form, you’ll need to decide:
   1. **Who will be your guardian?**
      A parent/relative or a Monash College guardian. If you choose to live with a parent or relative, you will need to download form 157N from border.gov.au and submit to the Department of Immigration and Border Protection.
   2. **Where will you live?**
      - Off-campus student accommodation
      - Homestay
      - On-campus at Clayton

5. **Accept your offer**
   You’ll need to pay your deposit and Overseas Student Health Cover fee (as outlined on your offer letter). If you’re under 18, you’ll also need to pay the deposits for guardianship and accommodation.

6. **We’ll send you a confirmation of your enrolment**
   If you’re under 18, we’ll also send you a Confirmation of Appropriate Accommodation and Welfare (CAAW).

7. **Apply for your student visa**
   See border.gov.au for more information. You can also find out more about our streamlined visa processing at monash.edu.au/study/international/apply visa

8. **Pack your bags!**
   Congratulations, you’re heading to one of the world’s best universities.

### Note:
- Only international students are eligible to enrol in the Foundation Year program. A change of visa status to become an Australian permanent resident during the Foundation Year or a Diploma program may invalidate the degree pathway guarantee. If you are completing Australian Year 12 and are applying for semester 1, you will need to apply through VTAC.
### 3 Students with Disabilities

Do you have a disability, mental health or ongoing medical condition that may affect your studies? Yes No

If yes, Monash will require further information from a relevant health professional outlining the potential impact of your condition on your intended study program. Disability Support Services can provide a range of study supports for students with disability. For more information, visit monash.edu/disability

Are you currently studying/residing in Australia? Yes No

If yes, please complete the following questions:

- Have you previously registered for disability services at your Australian tertiary education provider? Yes No
- Are you currently living in Australia and intend to stay in Australia until the commencement of your study at Monash? Yes No

### 4 English Language Courses – Packaged

Please select your preferred Monash University English Language Centre course: Monash English (ME) Monash English Bridging (MEB)

The duration of the English Language course will be based on your IELTS/TOEFL/Pearsons Test of English (Academic) results and will be advised in your offer letter. If you do not have an IELTS/TOEFL/Pearsons Test of English (Academic) score, you should take the Monash English Placement Test available through all Monash registered agents.

### 5 Foundation Year

Please note that your offer will be packaged with your preferred Monash University degree and/or English program. For more information about the course structure of the Monash University Foundation Year (MUFY) all streams, please refer to monashcollege.edu.au/courses/foundation-year/subjects

I warrant that the information on this form, or provided in support of my application, is correct, complete and up-to-date in every detail. I acknowledge that the provision of incorrect information or the withholding of relevant information relating to my application, including academic transcript(s), might invalidate my application and that Monash College Pty Ltd or Monash University may refuse to assess my application and withdraw an offer of a place or cancel my enrolment in consequence. Should Monash University determine that I have submitted a false document, I consent to Monash College Pty Ltd or Monash University disclosing this information to other relevant tertiary institutions.

I consent to any educational institution at which I have previously been a student and/or my current or any past employer, providing Monash College Pty Ltd or Monash University with information which that institution or employer holds about me for the purpose of Monash verifying my grades and/or qualifications or experience. I declare that I am a Genuine Temporary Entrant (GTE) and a Genuine Student and that I have read and understood conditions in relation to these requirements as defined on the following website: [www.border.gov.au/Trav/Stud/More/Genuine-Temporary-Entrant](www.border.gov.au/Trav/Stud/More/Genuine-Temporary-Entrant)

I am aware of the estimated total course fees at Monash College and Monash University and living costs for my stay in Australia. I understand that the total course fees do not cover the cost of books, materials, field trips or any additional cost related to my course, unless otherwise specified. I declare that I have sufficient funds to support myself and my family unit members (if applicable) for the total period of my stay in Australia (including proposed course fees for myself and any school-age family members, Overseas Students Health Cover, living costs and travel costs, regardless of whether my dependants intend to accompany me in Australia). I agree to abide by the statutes, regulations and policies of Monash College and Monash University.

I have read and understood the above conditions and accept them in full.
