BYOD FOR STUDENTS

Monash College is a Bring Your Own Device (BYOD) environment. Technology allows students to access online learning tools and interactive resources, allowing them to actively participate in classroom activities, increase student engagement and ultimately enhance learning.

Definitions

Device   Refers to laptops and tablets owned by a student which have the capability of connecting to Monash College's Wi-Fi network.

Ref	Steps
1.	**Requirements** • Students are allowed to bring devices to Monash College for the purpose of learning. • Use of devices Monash College is be governed by the Student Code of Conduct and Monash University's Acceptable Use of Information Technology Facilities by Students Procedure. • In the student course offer, the Monash College minimum device requirements will be listed.
2.	**Access to Monash College's Wi-Fi Network and Resources** Internet access will be provided at no cost to students.
3.	**Acceptable Use of Devices** Monash College will retain the right to determine what is, and is not, appropriate use of devices within the bounds of Monash University's Acceptable Use of Information Technology Facilities by Students Procedure. Where Monash College has reasonable grounds to suspect that a device contains data which breaches policy, the relevant Program Director may confiscate the device for the purpose of confirming the existence of the material. Depending on the nature of the material involved, disciplinary action may be appropriate or further action may be taken including referral to the police. The consequences of any breaches will be determined by the relevant Program Director in accordance with the Student Code of Conduct and Monash University's Acceptable Use of Information Technology Facilities by Students Procedure and will be managed in line with the Non-academic Suspension and Exclusion Policy and Procedure.
4.	**Student Responsibilities** Students are solely responsible for: • The care and maintenance of their devices • Insuring the device • Having a legal and supported operating system installed • Having current antivirus software installed • Managing the battery life of their device • Security and protection of their device.
5.	**Technical Support** Students are encouraged to use eSolutions online support to resolve basic IT issues at https://www.monash.edu/esolutions/students or call 03 9903 2777.
